Ms. Valerie West  
(Sent by E-mail)

Dear Ms. West:

I understand that David Hoefer with our EPA Region 7 Office of Regional Counsel has been working with Ken Miller and Robert Kuehn at the Washington University Law School to provide you with information that can assist with your request. It is the intent of EPA to support and assist the community to the extent that we are legally able.

It is my hope that we can re-establish a dialogue that is productive and professional. With that in mind, EPA staff would like to meet with you and Ms. Rush about how we can move forward through this process. Perhaps the meeting can be held in conjunction with your next CAG meeting.

Please let me know if this is possible.

I can be reached at 1-800-223-0425, 913-551-7463, or by e-mail at [young.belinda@epa.gov](mailto:young.belinda@epa.gov).

Thank you.

Sincerely,

Belinda Young,  
Community Involvement Coordinator
